Dear Mr. Edwards:

Thank you for submitting the BC Fluorescent Lamps Plan Product Stewardship Plan on behalf of the Electrical Equipment Manufacturers Association of Canada members, dated February 3, 2010, as required under section 4 of the Recycling Regulation.

I have completed my review of the submission and hereby approve the BC Fluorescent Lamps Product Stewardship Plan covering fluorescent light bulbs and lamps sold for residential use. Please be advised that this approval does not extend to any materials or content contained in the plan that are extraneous to the requirements of section 5 of the Recycling Regulation.

I look forward to working with you to ensure your program is successfully implemented by July 1, 2010. If you have any question about this approval or the implementation of your plan please contact David Lawes at 250-387-3588 or David.Lawes@gov.bc.ca.
