Alberta Recycling Paint Program

**Alberta Recycling Management Authority** launched its new Paint Recycling Program April 1, 2008. This program is operated with the assistance of **Product Care**, who is responsible for the collection and remittance of fees assessed on paint product supplied into Alberta.

**Products and fees:** The Advance Disposal Surcharge (ADS) fees are:

<b>Product and size</b>	<b>ADS</b>
Aerosols	\$0.10 per container
100 ml to 250 ml	\$0.10
251ml to 1 litre	\$0.25
1.1 litre to 5 litres	\$0.75
5.01 litres to 23 litres	\$2.00

**Registration required:** Effective April 1, 2008 all suppliers providing designated paint products in or into Alberta from that date are required to be registered for the program with Alberta Recycling. A registration package is available through Alberta Recycling as well as Product Care.

**Further information:** This program is operating in a similar way to the Product Care programs for other provinces. Further detail on the program and its particulars may be obtained by contacting:
