

# Burnt Out?

Recycle your  
fluorescents

 **LightRecycle**

Do it right! Drop off your used fluorescent lights and tubes to a LightRecycle location for safe recycling.

Visit [www.lightrecycle.ca](http://www.lightrecycle.ca) or call **1-800-667-4321** to find the LightRecycle drop-off location nearest you.

*LightRecycle locations accept residential-use fluorescent lights only. No LED, halogen, incandescent or commercial-use lights accepted.*
