Important Notice to all Saskatchewan Paint Retailers

April 26, 2006

### No PST on Visible Paint Eco-fees

The Saskatchewan Finance Department has advised that:

- PST does not apply to visible eco-fees (i.e. shown as a separate charge on the sales receipt).
- PST does apply to a fee that is included in the purchase price (i.e. not shown as a separate charge on the sales receipt, even if it says "eco fee included in price")
- Any PST on eco fees already collected must be remitted to Saskatchewan Finance.
