## LARGE VOLUME END-USER PROGRAM

### WE PROVIDE:

- As many collection containers (tubskids and drums) as you require to hold up to a 3 month supply of your volume. Each tubskid holds ~432 litres of container (ex. 108 x 4 litre cans) and each drum holds ~80 litres of containers (20 x 4 litre cans).
- These plastic tub skids and metal 45 gallon drums may be taken to your own sites, to act as the receiving container. If lost or damaged, a replacement fee of \$450/tubskid, \$ 75/tubskid lid and/or \$50/drum will be charged.
- Transport to and from the collection site for the empty and full collection containers.
- Disposal/recycling services for the material collected.
- The disposal costs for any items sent in collection containers that are not stewardship program products will be billed to you at cost plus 50%.
- If items are sent in with the collection containers that are not stewardship program products, we reserve the right to discontinue providing this service to you.

### YOU PROVIDE:

- Packing the program items into collection containers as per the LVEU guidelines.
- Call 1-888-772-9772 to schedule shipment. Only scheduled and authorized loads will be accepted.

**NOTE:** This program is intended for post-consumer products stewarded under the PCA program. Please contact PCA if you are unsure of whether your material qualifies.
