# New Brunswick PaintRecycling

## Environmental Handling Fees

The program is funded entirely by Environmental Handling Fees remitted by ReGeneration's industry members. Environmental Handling Fees are paid by ReGeneration members based on their unit sales in the provinces where the program exists.

The fee is subject to sales tax (federal and provincial), as it is considered to be a part of the price of the regulated products. No part of the Environmental Handling Fee is remitted to the government.

Note that visible fees are not permitted by the New Brunswick Regulation.

| | |
|---|---|
| 100 ml to 250 ml | 0.20¢ |
| 251 ml to 1 litre | 0.35¢ |
| 1.01 litres to 5 litres | 0.70¢ |
| 5.01 litres to 23 litres | $1.50 |
| Aerosol paint (any size) | 0.20¢ |
