Dear Mr. Cheung,

RE: Newfoundland and Labrador Paint Stewardship Plan 2018-2023

I wish to advise you that subsequent to a formal decision by the Board of Directors of the Multi-Materials Stewardship Board (MMSB) at the October 19, 2018 meeting, the 2018-2023 Paint Recycling Program Plan submitted by Product Care Association (PCA) has been approved for implementation. For your records, a copy of the approved plan is attached to this letter.

The implementation of the 2018-2023 Plan is effective December 1, 2018 – November 30, 2023.

Feel free to contact Ashley Burke, Senior Program and Policy Development Officer if you have any questions or concerns.

We look forward to continuing to work with PCA as the agent representing paint brand owners in Newfoundland and Labrador.

Sincerely,

Jamie Chippett
Chair and CEO
