

Making it easy for industry to do the right thing.

Recycle commercial volumes of lights at recycling locations across Canada. If you have large quantities for recycling, you may be eligible for **FREE** pick up.

WANT A FREE PICK UP?

Follow these easy steps:

1

Visit productcare.org/commercial to see if you are eligible for free pick ups.

2

Once you've successfully registered, collection supplies will be delivered to you.

3

Once your collection container is full, we will pick up your lights for free.

If you are not eligible for free pick up, visit productcare.org to find your nearest recycling location and drop off for **FREE!**

To get in touch with your provincial contact, visit productcare.org/commercial
